**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT UNDER 37 C.F.R.
§1.121**

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building, Mail Stop Amendments
401 Dulany Street
Alexandria, VA 22314

Sir:

In response to the Notice of Non-Compliant Amendment, dated July 13, 2006, attached is the "Amendments to the Claims" section, including a complete listing of the claims in numerical order with the proper status identifiers. It is noted that the Notice provides that only the corrected section of the amendment of July 13, 2006, needs to be submitted.

It is further noted that in Section 5 of the Notice that the examiner stated that the amendment of July 5, 2006, did not include claim 10. It is believed that this is a

typographical error and that the examiner intended to state that the amendment did include claim 9. Cancelled claim 9 (as well as all other claims) has now been properly listed and identified.

Substitution of the attached Amendments to the Claims for the Amendments to the Claims section included in applicants' amendment of July 5, 2006, prompt consideration and allowance are earnestly solicited.

Respectfully submitted,
